OFFICE OF THE
DEPUTY DISTRICT EDUCATION OFFICER (M-EE)
TEHSIL CITY LAHORE
No. 691 / E-I
Dated 04 / 05 / 2026

To,

The District Education Officer (M-EE),
Lahore

Subject: **REPLY TO COMPLAINT NO. 104-5818391 REGARDING STAFF SHORTAGE AT GOVT. COMMUNITY PRIMARY SCHOOL MOZANG, LAHORE**

Kindly refer to Complaint No. 104-5818391 filed by Mr. Waseem regarding the shortage of teaching staff at Govt. Community Primary School Mozang, Lahore (EMIS Code: 35220259).

In this regard, the matter was assigned to the concerned Assistant Education Officer (M-EE) for inquiry and factual report. As per the report received, the complaint has been found **genuine**.

It is submitted that against the sanctioned strength of four (04) teaching posts, three (03) teachers are posted at the school. However, the current situation is as follows:

- One teacher has been absent from duty since 18-11-2026, and disciplinary proceedings are under process at the office of the District Education Officer (M-EE), Lahore.
- One teacher is currently working at the office of the District Education Officer (M-EE), Lahore on loan basis.
- Resultantly, only one teacher is physically available at the school, which is insufficient to manage all primary classes and is adversely affecting academic activities.

In light of the above, the following measures are proposed for immediate resolution of the issue:

- Repatriation of the teacher working on loan basis at the office of the District Education Officer (M-EE), Lahore to his original place of posting.
  OR
- Provision of one or more teachers on temporary loan/stop-gap basis from nearby schools until permanent arrangements are made.

It is therefore requested that necessary administrative action may kindly be taken on priority to resolve the staff shortage in the best interest of students and to ensure smooth functioning of the school.

Submitted for kind consideration and further directions, please.
