OFFICE OF THE
DEPUTY DISTRICT EDUCATION OFFICER (M-EE)
TEHSIL CITY LAHORE
No. 690 / E-I
Dated 04 / 05 / 2026

To,

The District Education Officer (M-EE),
Lahore

Subject: **Reply to Complaint No. 104-5526788 regarding Allied School Data Nagar Campus**

With due respect, it is submitted that Complaint No. 104-5526788, filed by Ms. Uzma Jameel regarding Allied School Data Nagar Campus, has been thoroughly examined at the Tehsil level.

In this regard, the undersigned contacted the school administration to ascertain the facts. The school provided a written response stating that the student, Muhammad Yousaf (son of Ms. Uzma Jameel), had a record of continuous absenteeism, remaining absent for 2–3 consecutive weeks on a regular monthly basis during his academic tenure. Due to this persistent non-serious behavior towards studies, his name was struck off from the school rolls as per institutional policy.

The school further clarified that the student was already being facilitated on compassionate grounds as a fee-free (orphan) case. Despite being struck off, the administration has shown willingness to accommodate the student by allowing him to attend practical classes conducted at the school.

However, the complainant has alleged discriminatory treatment and lack of cooperation from the school staff. These claims were also reviewed, but no substantial evidence of discrimination against the student, as compared to other students, could be established during the inquiry.

In view of the above, it is submitted that:

- The action taken by the school appears to be based on the student's attendance record and academic conduct.
- The school has shown leniency by allowing participation in practical classes despite the student being struck off.
- No clear evidence of discriminatory behavior has been found.

It is therefore recommended that the case may be disposed of accordingly. However, keeping in view the educational interest of the student, the school may be advised to extend maximum possible facilitation within the rules so that the student can complete his academic requirements, particularly practical examinations.

Submitted for kind consideration and further directions, please.

Deputy District Education Officer (M-EE)
Tehsil City, Lahore
