School free difference paying 8000 as old student and new student fee 4000 what is this please take action we are helpless school management said its school policy . My daughter studying in school since 5 years and they have fee discrimination with us we are paying 8000 for class 7.and new student admission paying 4000 .what is this? Please take a serious action and please resolve our financial tension. Why this fee discrimination with us. Teacher are very rude when we asked them about this fee issue. They said its school policy . If we plan to have new admission
