## Complaint Details

AL MEESAQ HIGH SCHOOL RAM GHAR MUGHAL PURA LAHORE, Complaint Regarding Staff Behavior, Fee Handling, and Poor Facilities Respected Sir/Madam, I am writing to express my serious concerns regarding multiple ongoing issues at your school. Firstly, I would like to report the rude and inappropriate behavior of Madam Principal and Landlord Mr. Ijaz Butt towards parents. I have made several complaints in the past, but unfortunately, no proper action has been taken so far. Secondly, I am very disturbed by the continuous fee reminder messages in the group, despite the fact that I am a punctual and regular fee payer. When I approached the concerned Madam about this issue, I was told that these messages will continue regularly, which is quite disappointing and unprofessional. Moreover, it has been observed that students are being asked about fees during class time, which creates embarrassment and mental pressure on children. Another serious issue is the very poor and unhygienic condition of : • Staff behavior with parents • Proper and respectful fee communication system • Improvement of classroom and washroom conditions • Creating a healthy and supportive environment for students I hope my concerns will be taken seriously and necessary actions will be implemented without delay. Thank you. classrooms and washrooms. The washroom condition is extremely pathetic, and due to this, my daughter avoids using it completely. Despite multiple complaints, no improvement has been made. Due to all these issues, especially the environment and staff behavior, my daughter is becoming mentally disturbed, and I am highly concerned about her well-being and education. Additionally, I feel that some teachers are not properly cooperative or comfortable with students, which is affecting the overall learning environment. Pls look into this matter no one bother take thi matter Regards, ZEESHAN AHMAD KHAN 0321-4702240
