Contents

My children Muhammad Zaafir Salman, Muhammad Azfar Salman, Tooba Batool, Irha Batool were previously on concessional/approved fees (Rs.600, 4160, 8320). Institution increased fees to Rs.6000 for Zaafir & Azfar and further enhanced charges without prior notice, approval, or transparency and withdrew concessions, causing financial hardship. This violates Punjab Private Educational Institutions (Promotion & Regulation) Act 1984, Punjab Consumer Protection Act 2005 s.2(7), and Articles 4, 9, 25 Constitution of Pakistan. It is settled law of Supreme Court and Lahore High Court, Lahore that private schools cannot impose arbitrary fee increases without lawful authority. It also conflicts with UDHR Art.26 and ICESCR Art.13 on right to education. Request: inquiry, rollback of fee increase, restoration of concessions, refund of excess amounts and action against institution. I shall be very thankful to you for this act of kindness. An early action shall be highly appreciated.

1	05/05/2026	Citizen	District Education Officer (M-EE) Lahore	In-progress	I submit that my earlier complaint No. PU210426-92530379 against The Trust School (ATH Campus, Lahore) was closed by DEA Lahore without relief. The school has again imposed increased fee. Facts: That the claim of sibling concession is an "internal policy" changeable without notice is legally untenable. That the long-standing concession (50% & 92%) created legitimate expectation and parents relied on it (promissory estoppel). That its abrupt reduction to 28% without prior notice is arbitrary, unreasonable and an unfair financial burden. That as per my knowledge, not more than 10% students are on free fee, subject to strict conditions. In view of this, the school may be directed to provide full record of all students and those on free fee. Prayer: I request reopening of the case, suspension of increased fee, restoration of concession and action against the school. Faithfully supporter of your government, Salman Tariq CNIC: 3520148459687 Contact: 0092 333 4576457

If you have anything else to say in this matter you can share other wise complaint will authomaticly close within 48 hours.Dear Citizen, Assalam-o-Alaikum. We have received the response from The Trust School regarding your complaint. The institution has clarified that your children were originally admitted under the Full Fee category, and the previous reductions were sibling discounts granted as a matter of internal policy, not as a statutory right or approved concession. They have further stated that this policy has been updated, limiting the sibling discount to 28% for the 3rd child onwards, and that such internal policies are subject to change without prior notice. If you have anything further to say in reply to this letter, you may share it within 48 hours. Otherwise, this complaint shall be automatically closed in accordance with the rules and policy.

D. Citizen's Feedback

☐☐☐☐☐ (1 out of 5)

Satisfied: *No*

I resubmit my complaint against The Trust School (ATH Campus, Lahore). My earlier complaint (PU210426-92530379) was closed by District Education Authority Lahore with "Relief Not Granted," yet no relief or response has been provided. Meanwhile, the school has again charged the same increased fee. This ongoing conduct violates the Punjab Private Educational Institutions (Promotion and Regulation) Act, 1984 and law settled by the Lahore High Court. It appears as if no authority is restraining such practices and citizens are left without effective remedy. I have been a continuous supporter of your government, yet such treatment is concerning. Request: Reopen complaint, stop illegal fee, restore previous concessions and grant the same relief as earlier. Salman Tariq 35201-4845968-7 0092 333 4576457
