No. 3636/Dengue

Dated: 22/07/2026

Subject: EXPLANATION

Reference is invited to this office letter No. 3271/Dengue dated 16.07.2026, letter No. 3330/Dengue dated 18.07.2026 and No. 3337/Dengue dated 20.07.2026 regarding strict action against fake dengue activities and non-compliance with prescribed sops.

Despite repeated directions issued through the above-referred letters, it has been observed that **28** fake/non-compliant dengue activities are still being reported from various schools (**List Attached**). Such practices seriously compromise the credibility of the dengue surveillance mechanism and reflect negligence in supervision and monitoring. **The details are as follows:**

1	District Education Officer (SE) Lahore	10
2	District Education Officer (M-EE) Lahore	04
3	District Education Officer (W-EE) Lahore	14

2. It is a matter of serious concern that fake activities continue to be reported despite the issuance of clear instructions and repeated warnings by this office. This indicates a failure to ensure effective monitoring, supervision, and implementation of the directions already conveyed.

3. You are, therefore, directed to submit your written explanation regarding the above lapse, clearly stating the reasons for the continued reporting of fake dengue activities despite repeated directions issued by this office. You are further directed to ensure immediate rectification of the identified deficiencies and achieve full compliance by today, positively.
